Dubai, UAE

SCAN ME

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

About Conference

The highly anticipated Otorhinolaryngology Congress is back and better than ever in 2026! On behalf of Scientex Conferences, we cordially invite you to the “**5th International Conference on Otorhinolaryngology Research and Treatment**,” which is set to take place in **Dubai, UAE** from **April 12-13, 2027**.

“Advancing Innovation and Excellence in Otorhinolaryngology Care” is the conference’s subject. We also have great pleasure in letting you know about this hybrid event: the otorhinolaryngology congress, which will be presented via webinar and physical form. So that participants will never pass up a fantastic chance.

This year’s participants will get special access to exciting sessions. Workshops, symposia, keynote lectures, oral presentations, poster sessions, sponsorship/exhibitor desk, and special discussions on many aspects of otorhinolaryngology. The ENT experts will discuss advanced procedures and treatments.
